Bienvenida ...

Bienvenido a Alenda Golf Life, una Revista diseñada para informar a los Residentes, Visitantes y Propietarios sobre lo bueno que es vivir, jugar o visitar Alenda Golf.

He vivido en Alenda Golf durante 18 años, desde que la Casa Club estaba detrás de la gasolinera y tenía acceso limitado al campo de golf.

Ahora, 18 años después, tenemos una Casa Club espectacular y moderna, vistas hermosas sobre el campo hacia el mar, 18 hoyos excepcionales de un desafiante Campeonato de Europa de Golf, una zona amplia de Prácticas, un Campo de Prácticas de 25 puestos y un Bar Restaurante que ofrece una variedad de Tapas deliciosas y Comidas con amplia selección.

Alenda Golf Property ha estado activamente involucrado ayudando a sus clientes - sea Propietarios o Compradores en Alenda Golf durante los últimos 18 años.

Alenda Golf Property es una Consultora Inmobiliaria, independiente y especializada únicamente en Alenda Golf.

Somos capaces de demostrar 18 años de experiencia y durante este período hemos desarrollado y formado una gran red de contactos – como especialistas de Oficios Locales, el Sector Legal, Abogados, Gestores, Notarios, Arquitectos Técnicos y Bancos... por ejemplo, y tenemos buenas comunicaciones con las varias Comunidades dentro de Alenda Golf y colaboraciones con el Ayuntamiento y la Policía Local.

Estamos totalmente comprometidos a ofrecer un servicio abierto y honesto a los clientes que deseen comprar o vender una propiedad en Alenda Golf... ante todo - vamos a ser vecinos si deciden vivir o comprar en Alenda Golf.

También creemos que los vendedores deben obtener un valor de mercado honesto por su inmuebles y los compradores deben obtener un rendimiento bueno para su inversión.

Alenda Golf Property is an Independent Property Consultancy specialising solely in Alenda Golf.

We are able to demonstrate 18 years of experience, and during this period we have developed and built a large network of contacts of specialists in Local Trades, the Legal Sector, Lawyers, Accountants, Notaries, Technical Architects and Banks, and we have good communications within the various Communities of Alenda Golf and collaborations with the Town Hall and Local Police.

The Alenda Golf course was designed and built by Roland Favrat with the maximum respect for the original lay of the land and the estate's natural vegetation, avoiding any aggressive movements of earth during the construction process.

The golf course was completed in October 1999. It covers 49 hectares of land, 18 holes, par 72 and 6,257 metres in length, as well as an excellent practice area.

Raking bunkers is an easy way to maintain good playing conditions for everyone and it's a great way to demonstrate care for the course. The ultimate goal of raking a bunker is simple – use whatever rake is provided to produce as smooth of a surface as possible.

Repairing divots or ball marks on a golf course is important to maintain the quality of the course and ensure an enjoyable experience for all golfers.

Replacing your divot is always the best option for repair, assuming it has some soil attached. If the entire divot explodes into pieces, look around for any other usable divot that can fit in your scar. Take your time fixing or filling divots.
